GOVERNANCE

The Farmington Woods Golf Club is a private golf club that is owned and operated by the Farmington Woods Master Association (MA). The Director of Golf and Clubhouse Operations (Director of Golf) is its chief operating officer. As set forth by the MA's Executive Board, the Golf Committee is charged with advising and assisting the Director in the operation of the golf course and assisting in the implementation and development of a golf operation that will invite participation both by residents and non-residents of Farmington Woods. In carrying out its function, the Golf Committee is given the authority to recommend reasonable standards of operation and maintenance of the golf course and its related facilities.

MEMBERSHIP INFORMATION

Section 1– Membership Application Process

1. Eligibility - Any resident of Farmington Woods is eligible for membership. Memberships are also available to non-residents when memberships total under 300. At any time when memberships exceed 300, non-resident applicants will have his or her name placed on a waiting list. As memberships become available, the next person on the waiting list will be accepted.

2. Application Process - Any resident or non-resident who would like to join the club must complete a membership application. Applications can be obtained from the pro shop, from the Farmington Woods Master Association office, or from our web site – *www.farmingtonwoods.com*. The completed application, along with the required deposit, should be sent to the pro shop or the Director of Golf. The application will be reviewed by the Director of Golf for completeness. Upon approval, the Director of Golf will notify the applicant, the MA, the golf league chairs and the pro shop.

3. Required Deposit - Every application must be accompanied by a check made out to Farmington Woods Golf Club for the amount specified on the application. An application that is not accompanied by a check will not be presented for consideration.

Section II - Membership Categories

1. Farmington Woods has four membership categories applicable to both residents and non-residents. All play is contingent upon course availability.

Membership Categories

- **Full Membership**, play any time;
- **Weekday-Only Membership**, play Monday to Friday anytime;
- **After-2 p.m. Membership**, play any day after 2 p.m.;
- **One-Day Tuesday Membership**, play or practice anytime on Tuesday only;

A member's choice of membership category is for the entire golf calendar year. Changes to a more restricted membership are not permitted during the golf calendar year. Changes to a higher access category are permitted, but will require payment of the full annual dues for that category.

Membership fees are determined by age, residency and single or family categories, except for the One-Day Tuesday Membership, which is single-only.

- Junior, between the ages of 14 and 21, or a full-time student under the age of 25
- under age 35
- age 36-39
- 40 and over
- Certain maturity discounts apply to Full Memberships for individuals over 70.

See the Director of Golf for details on fee schedules.

2. Resident memberships are available to individuals or families who own a condominium or live in Farmington Woods. Non-resident memberships are available to singles or families living outside of Farmington Woods.

3. A single membership is one individual and all dependents under the age of 14 living within the same residence.

4. Family Membership includes two adults living together as a family, married or unmarried, and all dependents under the age of 14 living within the same residence.

4A. Certified Dependents: After being certified by the Golf Professional for play on the course, dependents aged 12 and 13, when invited by an adult member to play with that member, may do so at any time applicable to their membership category, excluding tournaments. Such certified dependent golfers may also play without an adult after 2:00 p.m. on non-tournament days and use the practice facilities after 1:00 p.m. on non-tournament days where space permits. Upon attaining the age of 14, certified dependents must become junior members.

4B. Dependent golfers ages 11 and under must play with an adult and are limited to within their membership category to play after 2:00 p.m. on weekdays and weekends, excluding tournaments. Such dependents may use the practice facilities after 2:00 p.m. on weekdays and weekends only under adult supervision. Note: The use of the facility and practice range is restricted on tournament days. All dependent golfers wishing to use the facility on these days must receive permission from the Pro Shop.

5A. Junior Member can be either a single or a family dependent. Junior members can be assigned an account number if they wish to have charging privileges in the Pro Shop and Clubhouse. Their adult sponsor will be held accountable for all charges.

Section III - Payment of Dues:

Members may choose one of the following payment options.

- Option 1: Full payment by February 1.
- Option 2: Five equal installments due month-end from January through May.
- One-Day Tuesday Members must pay in full at the time of their acceptance.

Section IV - Leave of Absence or Resignation

1. A member may request a one-time leave of absence for one year. All requests must be in writing and submitted to the Pro Shop or the Director of Golf. A member who wants to return from a leave within the year may do so by writing to the Director of Golf requesting early reinstatement; they will then be required to pay all fees, dues and/or assessments for the period for which they were absent. Any member who has fulfilled the one-year leave of absence term has the option to return to the membership roster or the option to resign (see Section IV, #2 for procedure). Special circumstances for medical leave of absences will be reviewed on a case-by-case basis. Any member who does not request reinstatement after the one-year leave of absence but subsequently wishes to rejoin will be required to reapply subject to the terms and conditions in effect at that time.

2. A member wishing to resign may do so at any time. All resignations must be in writing and submitted to the Director of Golf, the Pro Shop or the MA. A resignation shall not become effective until all amounts due are paid in full. A member who has resigned from the club may rejoin but will be subject to the terms, fees, dues, and/or assessments in place at the time of their return. If they desire to rejoin within a 12-month period from their resignation, they will be required to pay all fees, dues, and/or assessments for the period for which they were absent.

Daily Greens Fees

Member's Guests

9 Holes $25.00
18 Holes $50.00

MEMBERSHIP INFORMATION

The following guidelines have been established by the Golf Committee for the better operation of the club and for the better enjoyment of the club by its members.

Starting Times

A. Starting times are strongly encouraged on all days and are required for Fridays, Saturdays, Sundays and holidays. Starting times may be obtained online using the automated tee time system or by calling the Pro Shop up to two weeks prior to play for full members and up to one week prior to play for all other members. All scheduled Men's, Women's and Mixed Club events will have priority. Sign-up sheets for those events will be available in the Pro Shop. Members with up to three guests on weekends and holidays may reserve those tee times that are available after scheduled league play.

B. On Sundays and holidays when an afternoon mixed event is scheduled, a morning shotgun or tee time will be available to all eligible members. If an afternoon mixed event does not have a full field, the Pro Shop may accommodate a limited number of players not in the event. Members should inquire on the day preceding the mixed event.

C. Residents of Farmington Woods who are not members of the club have playing privileges on Sundays and Tuesdays after 3 p.m. depending on course availability and on Mondays anytime, providing there is no outside event scheduled. Such residents must check in with the Pro Shop regarding course availability, make arrangements to play no more than three days in advance, and pay required greens and cart fees at time of play.

Special Notes

MONDAY	Course opens at 8am.
TUESDAY	Course opens at 8am. 1st tee reserved for Senior Men's League at 8:30am.
WEDNESDAY	Course opens at 8am. 1st tee reserved for Women's 9 Hole League at 9am.
THURSDAY	Course opens at 8am. 1st tee reserved for 18 Hole Women's League at 8:30am.
FRIDAY	Course opens at 8am at 1st tee.

Saturdays, Sundays, and Holidays:
Course opens at 7am at the 1st Tee.

The back nine opens at 10am Monday - Friday.

The Driving Range will be opened one-half hour before play on the 1st tee.

Any changes will be posted in the Pro Shop.

Personal Conduct

1. Speed of Play

A. Goal - It should be the goal of all players to complete their round in less than four hours.

B. Violations - All players who are part of a group that fails to complete their round in less than four hours and twenty minutes will be subject to the following:

- First occurrence: A warning letter
- Second occurrence: A warning letter reminding the players that a third occurrence will require an appearance before the Golf Committee.
- Third occurrence: The player will be required to attend a Golf Committee meeting to discuss the reasons for the repeated violations of the pace-of-play rule.

2. Lunch at the Turn - Players stopping at the turn will relinquish their position on the course. The Golfer's Express lunch is for take-out only. Players utilizing this service are still required to comply with the speed-of-play guidelines. Re-starts will be governed by the Golf Professional or his designee.

3. Attire - All golfers, including guests, must wear proper golf attire on the course, practice green and driving range at all times. Accepted attire for men includes: Bermuda shorts, pants/slacks/knickers with pockets and no frayed ends. Shirts must have a collar (mock) and should be tucked in. Accepted attire for women includes: slacks, skirts, shorts – must be at least mid-thigh in length; conventional shirts or tops as available in any pro shop. All caps/hats must be worn in the traditional manner. Denim (jean) material in any form will not be permitted.

Farmington Woods requires the use of soft spikes while on the golf course, practice green or practice range. Members are responsible to alert guests of this rule.

4. Maintenance - Each player is urged to maintain the course and leave it in better condition than they found it. Players should encourage everyone using the facilities to practice the three R's of Golf:

Replace all divots. Repair all ball marks. Rake all traps after use.

5. Complaints - Complaints as to the conduct of any golfer on the golf course or regarding violations of any rule pertaining to the golf course must be made in writing to the Chairman of the Golf Committee.

6. Disciplinary Action - Any member may be suspended or expelled, after due notice and hearing, by a vote of two-thirds of the Golf Committee members present, for a violation of the rules and regulations or for other conduct deemed by the Golf Committee to be detrimental to the welfare, harmony or good reputation of the club. Dues and any other obligations which shall accrue during any such suspension shall be paid in full before reinstatement to full privileges. A suspended or expelled member has the right of appeal to the F.W. Executive Board. A member who has been suspended or expelled shall not be entitled to any refund of dues or other fees.

7. Treatment of Staff - Member complaints about employees or suggestions regarding club services or operations should be addressed in writing to the Director of Golf and/or to the Chairperson of the Golf or House Committees. Members and their guests shall not rebuke, reprimand or admonish any club employee for any reason. Instances of such inappropriate member conduct will be referred to human resources at the Master Association for appropriate discipline, which may include dismissal from the club.

GOLFERS INFORMATION

Local Golf Rules

1. Current U.S.G.A. and the following local Rules of Golf shall govern play. Additonal local rules are posted on the first and tenth tees and in the Pro Shop.

Stones in bunkers, with your competitor's approval, may be removed.

Hole 4: (9 hole ladies only) a ball off the tee that lands in the water hazard must be dropped in the designated drop area (left of pond).

Hole 5: A ball hit into the brook will be played according to the Lateral Water Hazard Rule. Red Stakes and/or lines on each side of the brook define the hazard. If a ball passes the left side of the brook and crosses the hazard line into the woods or brook going forward, it shall be played as if it were in the hazard where it last crossed the line. A ball in play (not in the hazard) on the left of the brook will be played as it lies, or, if not found, as a lost ball.

Hole 6: If the ball is not observed crossing the hazard line, a provisional ball must be played and if the original ball is not found the provisional ball will become the ball in play (lying 3).

Hole 13: A ball to the right of the cart path is out of bounds.

Hole 15: When a ball is hit to the right of the sight line of the water tower, if all players agree, may be played as deemed to be in the hazard if it is not found; a provisional ball must be played if anyone questions the direction or distance; if the ball is not found, the provisional ball becomes the ball in play. A ball hitting any power line, power pole, or its supporting cable must be replayed with no penalty.

Hole 17: A ball coming to rest left of the cart path is out of bounds. If it is on the cart path it may be played from the designated drop area or from the nearest point of relief (under the rules of golf) without penalty.

Golf Regulations

1. All members and guests must register in the Pro Shop or with the Starter before beginning play.

2. All play shall start at the 1st tee. Starting at the 10th tee shall only be with the permission of the Professional Staff or Starter.

3. Each player is required to have their own set of golf clubs and a golf bag. Sharing clubs is not permitted.

4. Hand and electric carts shall be kept in the rough around tees, greens and hazards.

5. The Pro Shop controls all play on the golf course and the practice area.

6. Practicing is permitted only on the practice tee and practice putting green.

7. No group shall be composed of more than four players without the permission of the Golf Professional.

8. All children under the age of 14 must be accompanied by an adult member unless previously authorized by the head professional.

9. Members, their guests and guests of F.W. Golf Club, be they residents or non-residents, are responsible for all injuries, damages, or losses caused by or incurred in connection with the use of the F.W. Golf Club and its facilities, including but not limited to bodily injury and property damage caused by golf balls, equipment or golf cart operation within and outside the boundaries of the course. Any occurrence within the purview of this rule must be reported to the Pro Shop upon completion of play and to one's own Homeowners Insurance carrier, which extends coverage for such occurrences.

Golf Carts

Note: Carts are never permitted on any part of the 12th fairway.

1. Privately owned carts are not permitted.

2. A golf cart may not be used beyond the number of holes for which it is rented without paying for additional use in the Pro Shop.

3. No one under the age of 16 may operate a golf cart. Children under age 9 are not permitted to ride in golf carts at any time.

4. Only two people are permitted to ride in a golf cart at one time. The long distance between holes 15 and 16 often causes abuse. Cart users are encouraged to take a bag or two from walkers to the next tee and then return to pick up the walkers.

5. Carts should remain on the cart paths or in the rough at all times, except that the "90 degree rule" may be utilized where fairway access is not otherwise prohibited. Observe all directional signs and roped areas. Avoid steep inclines, and use caution at all times. Carts are never to be driven off golf club property except in proceeding with the normal course of play.

6. Any member or guest whose physical limitations warrant, may be extended certain privileges upon presentation of a doctor's letter. The Golf Professional will issue a medical flag to be attached to the cart, along with detailed instructions outlining where a cart may or may not be driven during the round. Failure to abide by the written instructions will result in loss of these privileges. **Carts are never permitted on any part of the 12th fairway.**

7. The club will not be responsible for accidents occasioned by the use of golf carts by members or guests. Members must assume full responsibility for their guests' use of carts. Cart damage must be reported to the individual's Homeowner's policy – be it a member or a guest.

Guest Rules

1. A guest is defined as any golfer introduced by a member. The names of all guests must be registered with the Pro Shop or starter prior to beginning play.

2. Members are permitted to invite up to 7 guests, provided the member plays as part of the group. Exception: If the member cannot play with his or her guests on a weekday, arrangements must be made directly with the Golf Professional at least 48 hours in advance. In such a case, the number of guests will be limited to one foursome.

3. Approval for over 7, but not more than 15 guests may be obtained from the Golf Professional. Over 15 guests requires the approval of the Director of Golf, and advance notice is required in both cases.

4. A person, other than an out-of-town house guest, shall not be introduced as a guest to play more than twice in any calendar month or eight times per year. This limit applies to the guest whether introduced by one or multiple members.

5. Golfing guest authorizations for out-of-town house guests may be obtained from the Golf Professional. Written authorization may be issued for periods up to two weeks.

6. All fees will be charged to the member's account in accordance with the current schedule as posted in the Pro Shop, and are subject to Connecticut sales tax when applicable.

7. It is the members' responsibility to be sure that guests observe all club rules.

Golf Handicap

Handicaps for golf club members will be computed using the guidelines established by the USGA. The basic premise of the USGA handicapping system assumes, *"that every player will try to make the best score at each hole in every round, regardless of where the round is played, and that the player will post every acceptable round for peer review."*

Each member must:

1. Post all scores of all rounds, at all courses, in the computer in the Pro Shop. An 18-hole score must be reported if you play at least 13 holes in a round. A 9-hole score must be reported if you play at least 7 holes. The posting of scores is the player's responsibility.

2. A score for a hole not completed should be entered using the 'most likely score the player would have made if he completed the hole; so long as it does not exceed the Equitable Stroke Control limit listed below.

3. Scorecards of all rounds posted should be turned in. The card must contain the unadjusted gross score and the actual score that was posted using Equitable Stroke Control guidelines. The posted score should be circled.

4. Our GHIN computer should be the main source for posting scores. A clipboard outside the Pro Shop is available to write down a score to be posted if the Pro Shop is closed. While GHIN.com is also available, its use will be limited to the following conditions: (A) Scores must be reported within 48 hours of the completion of the round. (B) Only one score per date will be accepted; multiple posting of scores on the same date will not be accepted.

5. At least five scores must be posted before a handicap can be issued. After that the 10 best of the last 20 scores will be used in accordance with USGA guidelines.

6. Failing to post one's scores defeats the spirit and integrity of the game and may lead to a penalty score being posted by the Committee.

Equitable Stroke Control

(USGA Ruling for Handicap Purposes Only). Equitable Stroke Control (ESC) is the required downward adjustment, for handicap purposes, of unusually high scores on individual holes, using the following schedules: If you are out of a hole, you may pick up to speed up play and record the score you most likely would have made.

18 Hole Course Handicap

9 or less
10 through 19
20 through 29
30 through 39
40 and above

9 Hole Women Course Handicap

4 or less
5 through 9
10 through 14
15 through 19
20 and above

Maximum Score Posted On Any Hole

Double Bogey
7
8
9
10

Driving Range

1. Range balls are limited distance, designed for range-use only, and areprohibited from play on the golf course.

2. All range balls should be played between markers.

3. Do not remove range balls from range.

4. Range operating hours will be posted in the Pro Shop.

Locker Rooms

1. Club towels are available at the Pro Shop and are to be returned after use.

2. The Club is not responsible for loss of personal property from lockers or locker rooms.

3. Food and drink are not allowed in locker rooms.

Bag Storage

1. At the end of the season, a date will be posted specifying when all bags, clubs and carts should be removed from storage. It is the responsibility of each member to do so by the posted date.

Farmington Woods will not be responsible for anything remaining in storage after the posted date.
