You must be a Full member to play in the Club Championships.

Full members will take priority to enter the 3-Day Major Member Guest. Weekday and After 2 members will be able to participate subject to availability and may be subject to additional fees.

Membership Category Election:

All categories are available now. You must make your selection by December 31st to move into a new category or you will automatically be billed at your current full membership status.

If you wish to move to a higher cost category during the year, you must do it by notifying the Golf Committee in writing and your dues will be adjusted retroactively to January 1st. A member may not move to a lower cost membership category during the year.

Selection form will be distributed to current members through email shortly.
