WHERE WINNING CLIENT RELATIONSHIPS AND GREAT TEAMS ARE MADE

The game of golf has the unique ability to bring people together in a relaxing setting to help elevate one-on-one interactions and initiate winning conversations with both clients and co-workers.

At Farmington Woods, we've designed value-rich and cost-effective membership packages that help companies and their teams grow. We offer a private, custom-designed, 18-hole Championship USGA course set on 375 beautiful acres of rolling, fresh, green landscapes surrounded by natural beauty, as well as delicious dining, with your favorite beverages, from our very own **Clubhouse Restaurant** — available whether or not you're playing the course. But perhaps the greatest benefits of a **Farmington Woods Business Membership** are the friendships and strong bonds you'll create with colleagues and thought leaders.

In business, Return on Investment comes down to making the best possible impression on potential clients, retaining existing clients, and motivating your staff to excel. Let the Farmington Woods experience help you close the deal.

Farmington Woods Golf Club is proud to be the only private club in Hartford County to be named on the top 10 list of private clubs in Connecticut.

Experience the privacy, quality, and beauty of our first-class facility. Call Kelley Brewster-Griffiths, General Manager at: 860-673-6193, x23 to learn more and schedule your personal tour.
