

Bird Feeder Removal: March 15

THE BEARS ARE OUT!!! Bears should **NEVER** be fed, either intentionally or accidentally. Bears are attracted to garbage, pet food, compost piles, fruit trees, and bird feeders.

PLEASE REMOVE ALL BIRD FEEDERS BY MARCH 15, per the Farmington Woods rules.

3.2.5 Bird Feeders and Bird Houses (Approved by M.A. Board 5/30/2023)

B. Bird feeders, to include hummingbird feeders, must be removed from the Limited Common Elements and Common Elements from March 15 to November 30.
